# Terms of Use for Michaelskeller

Due to the restaurant's unique location and the associated increased staffing costs, we charge a minimum spend of €250 at Michaelskeller.

This amount represents the total spend required for a booking of up to four people. It includes all food and drink consumed during your visit. If you do not reach this amount through normal food and drink consumption, the minimum spend of €250.00 will still be charged.

Reservations for the Michaelskeller are available for a maximum of four guests. Please note that the Michaelskeller is not heated. In the event of bad weather or cold temperatures, we will move your reservation indoors to our restaurant.

Naturally, there is no minimum spend in this case.

We would be happy to book the Michaelskeller for you.
